

## 2024 Summer Parent Handbook

### Our Philosophy

Bounce is committed to supporting each child's social, emotional, physical and educational development while respecting the individual differences. We strive to promote children's education, health and self-worth. Our objective is to provide every child with a safe, loving environment and opportunity to engage in a wide variety of educational experiences.

### Mission Statement

**OUR MISSION** is to **ENRICH** and **ENERGIZE** our students by helping them to recognize their **INNATE WORTH** by celebrating their own personal "10", maintaining an environment that keeps them **SAFE** from harm, creating a **FUN** learning environment which will instill a **LOVE OF LEARNING**, and helping students to learn to care about and help others.

Hartland MI 48353  
[www.HartlandSportsCenter.com](http://www.HartlandSportsCenter.com)

Dear Families,

Welcome to Bounce Preschool Academy!

We are extremely honored you have chosen us to be a part of your child's learning experience. We are a State of Michigan licensed, play-based preschool, designed to provide a stimulating, nurturing environment. We have a certified teaching staff that are qualified to meet the needs of each child with love and creativity while offering a warm and secure environment, small classroom numbers, sensitive teachers and staff, and a loving family-like support for all children and parents.

Bounce Preschool Academy offers children an opportunity to grow in a unique environment that supports each child as a whole. We help each child become a unique individual by nurturing self-confidence and self-esteem through daily experiences and by providing opportunities for self-direction and a sense of responsibility that encourages them to learn social, as well as academic skills.

Our environment, which is unique and unlike any other in the area is set up to challenge and develop all aspects of your child's learning. This includes language arts and literacy, mathematics, science, social and emotional development, and gross and fine motor development.

Sincerely,

Abby Dahlgren, Bounce Preschool Academy

## Frequently Asked Questions

---

**What Preschool Programs are offered?** Ages 3-4      2, 3, 4 days      1/2 day and full day options

AM Sessions (9:00a-12:00p) available M/T/W/TH

PM Sessions (12:30p-3:30p) available M/T/W/TH

FULL Day (9:00a-3:30p) available M/T/W/TH

**What are the birthday requirements?** A child must be 3 years of age by June 1, 2024

**What is the first and last day of school?** June 3 - August 1, 2024

**Holiday breaks?** July 1-4 - NO CLASS

**Do you have to pay for school supplies?** No. **Who provides snack for the preschooler?** Parents provide a snack and drink. If you are staying for the full day option, parents will provide lunch.

**Does the preschooler have to be potty trained?** Yes, FULLY potty trained.

**What if I decide not to attend or need to pull my child out of school before the end of the year?**

There are no refunds. Once you have registered for your child's spot you are obligated and bound by the tuition terms.

**What if I cannot pick my child up?**

A written notice must be sent to the office, instructing staff who they can release a child to. Staff may not release children to anyone who is not authorized by the custodial parent(s).

**What should my child wear?** Children should be dressed in comfortable, weather appropriate play clothes. NO Jeans.

**What qualifications do the teachers have?**

We require our lead teachers to be Michigan Certified teachers or certified in child development. Our staff is certified in basic First Aid and CPR and maintain the highest education and training to comply with the licensing rules as required by the State of Michigan. A licensing notebook is kept on-site and available for you to view.

# Operational Policies

---

## **ADMISSION POLICY:**

- The number of participants is limited, so enrollment is based on a first-come, first-serve basis.
- There is a non-refundable annual registration fee for each child. If you paid a 2023-24 Bounce Preschool Academy Registration fee you will not have a summer registration fee (it is included in your annual registration fee). If you are a new student starting in summer, your Preschool Academy fee for the summer is \$25. The registration fee must be paid to hold your spot in an assigned class.
- A child must be 3 years of age by June 1, 2024.
- Submit a completed registration packet, as well as required health forms.
- Must be FULLY toilet trained.
- Must complete and sign a Bounce Preschool Academy enrollment form, Bounce Release Form, Child Information Record, and Health Appraisal.

## **PROGRAM CALENDAR:**

Our program runs from June 3 - August 1, 2024. No classes: July 1-4. We do accept enrollment throughout the year as space allows.

## **SCHOOL CLOSING POLICY:**

If for any reason school must be closed, you will receive an email and a phone call from us letting you know there will be no school.

## **TUITION:**

Summer Tuition is Paid in Full or in 2 payments. If you choose 2 payments, the first is due at the time of enrollment and the 2nd on July 1. If enrolling after July 1, you must pay in full. Your tuition includes a gymnastics class within your class time.

**MAKE-UP POLICY:** If your child misses class (due to illness, vacation, personal) or we have to cancel due to weather, you will be allowed to come to a free Open Gym or PSPT. You will have until August 31 to complete them.

**WITHDRAWAL POLICY:** There are no refunds. Because our excellent student/teacher ratios affect our budget, we plan on your child's enrollment for the entire year. Therefore, tuition will not be refunded because of withdrawal. Once you have registered for your child's spot you are obligated and bound by the installment tuition terms outlined in our Parent Handbook.

In the event that a child is having any problems, a conference will be arranged between you and the Preschool staff. We reserve the right to terminate enrollment of a child, if, in the opinion of the staff it is not beneficial for the child to continue in the program or if their enrollment is detrimental to other children.

# Daily Sample Schedules

---

## AM Classes

9:01-9:15a

9:15-10:00a

10:00-10:30a

10:30- 11:45a

11:45-12:00p

## Topics/Event

Greeting and group time

Gym

Snack, Group discussion and Reading

Music and Educational Center Activities

End of day activities and dismissal

## Group Size

---

16 students with 8:1 ratio OR 20 students with 10:1 ratio\*

\*Which ratio used is determined by the ages enrolled in the individual section.

## Dress Code and Personal Items

Since children like to be independent, we encourage you to allow them to choose their outfits for school. However, please make sure they are weather appropriate not constrictive or elaborate. Please note that we will have many “messy” hands on activities and arts and craft projects so please make sure clothes are washable. We will also have gym time daily so pants with no zippers are preferred, such as leggings, sweatpants, etc.

We do require that your child comes with an extra set of weather appropriate clothes to each class (extra shirt, pants, underwear, socks and shoes). Accidents happen and we want each child to feel comfortable throughout the day. Please write your child’s name on all extra pieces of clothing.

Shoes are an important part of your child’s day. Please dress them in comfortable, well-fitted shoes made for playing in and outdoors.

All students should come to class with outdoor weather appropriate outer clothing. Students will be exploring the outdoors, going on nature walks, playing in the snow, etc and must come dressed for the constantly changing weather here in Michigan. In the winter months children should have snow pants, winter coat, snow boots & indoor shoes, mittens and a hat.

## Personal Items/Possessions from Home

---

Bounce is not responsible for any lost or damaged items and therefore we recommend that your child leave any and all personal items i.e. toys, books, electronics etc. at home. If your child does lose anything, please check in with the front desk to see if it was found and to be put on a call list if it does get turned in. There is also a lost and found bin in the main gym hallway between the restrooms.

On any special days such as “show and tell”, write your child’s name on any item they bring in. All items will stay in their backpack until it’s time for the activity and promptly returned right after the activity. Staff will do their best to insure all items get home safe but unfortunately Bounce cannot be responsible for any lost or damaged personal items.

# Nutrition and Snacks

---

Proper nutrition is an important part of the learning process. Each class period will consist of a snack time served family style. Gaining independence is one of the core goals at Bounce Preschool Academy so teachers will only be there to *assist* children during this time, not do everything for them. Children will learn to set up, eat and clean up with minimal assistance, if any. Snack time will also be used as a time for teachers to engage children in conversations on topics including healthy eating habits, food groups, benefits of healthy eating and more.

All students should come to class with a healthy snack and water every day. We highly recommend fruits, veggies, whole grain crackers, meat or cheese to eat, and water to drink. We will use their snacks as ways to talk about healthy eating. If you should forget a snack please do not worry. We will never let a child go without a snack. We will provide them with a healthy snack and water.

## Special Diet Needs and Restrictions

---

Please inform us of any special diet needs or restrictions your child may have due to medical reasons. Report any and all allergies that we need to be aware of on your child's health information packet.

**Peanut and Nut Free Classroom** - Because of the extreme nature of allergic reactions to peanuts and products containing or even made in facilities where there are nuts, Bounce Preschool Academy will not allow any nuts and/or food containing nuts or nut products to be brought in by their students. However, Bounce Preschool Academy is inside Hartland Sports Center and therefore, cannot guarantee that common areas will not have nut products, such as: the concession stand, lobby, gym, ice rinks and restaurant area.

## Drop Off and Pick Up Policies

---

**Drop off Policy** When arriving at school, each child must be walked into their classroom and signed in by an adult. The teacher will open the classroom doors right at 9:00am or 12:30p to welcome in the children and speak with anyone who needs to talk to them.

**Pick up Policy** Parents are expected to arrive on time for their child's departure. The teacher will be going over the day's activities and letting you know what to look for that the child should be bringing home. You will be given a 5-minute grace period. If you are later than that, you will be charged \$1.00 for each additional minute.

When arriving for pick up, each child must be signed out by their parent/guardian. The teachers will only release the child to their parent/guardian unless they are aware of any changes.

Our staff must have written authorization from a parent/guardian for anyone, other than the parent/guardian to pick up a child. We will not allow a child to leave with anyone else without dated/written permission from the parent/guardian. Each written permission slip will be checked with the license of the person who is picking up. A written, dated permission slip signed by the parent is required for each change on any given day. Exception: if a child rides home with the same non-parent person numerous times throughout the year, we will accept a one-time written slip.

In the case of any custody issues, it is the parent(s)/guardian(s) responsibility to provide court documentation of the agreement clarifying the rights and responsibilities of each parent while that child is in our care. Without court documentation Bounce Preschool Academy will assume each parent has equal rights to drop off and pick up the child.

# Behavior Management

---

## Discipline Policy

The preschool years are very important in the development of personality and self-esteem and children are testing his/her own behavior and the limits of their environment. Because of this, teachers will work individually with their class, parents and children to set guidelines for developmentally appropriate behavior and disciplines that work well for the individual child in addition to our code of conduct.

Bounce Preschool Academy's goal is to help guide children in a positive way which allows children to develop the skill of self-discipline. Children are more likely to develop this skill and behave appropriately if they are treated with respect and given clear, consistent limits. Our teachers are here to help children understand rules and expectations and understand the consequences of their actions.

Bounce Preschool Academy will only use positive methods of discipline and guidance that encourage self-control, build self-esteem and respect the child and the classroom.

Teachers will:

- Demonstrate and encourage proper behavior
- Focus on the positive behavior we want to see, not the unacceptable behavior
- Remind students of the acceptable behavior with clear statements of what is allowed
- Redirect the negative behavior to a more positive one
- Give the child an opportunity to correct behavior
- Briefly have the child take a break from the group or activity only when deemed necessary and appropriate for the child's development. This is only used when the child is showing temper tantrum type behavior that could result in the child hurting themselves, others or property.

Under NO circumstances will the following types of discipline be used:

- Humiliating, ridiculing, harsh language, or physical punishment
- Restriction of basic needs
- Requiring a child to sit and be inactive for inappropriate amounts of time

Parents will be informed if behavior problems arise. The first offense will result in an "oops" note sent home describing the incident and outlining future consequences if the undesired behavior continues. Teachers will work together with parents on necessary behavior modifications.

If necessary, the director will be notified of any persistent misbehavior and parents will be asked to meet with the teacher and student. Continued misbehavior and/or class disruption will be documented and could result in expulsion. Any child that is harming him/herself or other children may also be asked to leave school.

Behaviors that will not be tolerated and result in immediate contact of parents:

- Any physical harm to another child including biting, hitting, shaking, etc,
- Malicious destruction and damage of property. If it's determined that the child's behavior is responsible for the destruction of property, the parent(s)/guardian(s) will be responsible for the repair or replacement of the property.
- Bring in weapons, real or pretend to class or pretending to do any violent acts to another child or staff including shooting, stabbing or blowing up another person.

# Safety Procedures

---

## Emergency Drills and Procedures

Bounce Preschool Academy staff will perform regular fire, tornado, serious accident or illness, crisis management and lockdown and other natural or man-made disaster trainings and drills throughout the school year. Teacher (s) and students will perform several emergency drills throughout the school year. Parents and children will be aware of each of these drills and procedures. In the event of a real emergency, parents will be notified as soon as possible via phone and email.

If it becomes necessary to remove the children from Bounce, children will be taken to one of the emergency evacuation sites. In the case of a fire or other natural/man-made disasters where the children must leave the building, they will be escorted across the front parking lot to the grassy area out front of the building. If it becomes necessary to seek shelter, the children will be taken to Gentle Dental located at 11479 Highland Rd (building up front on 59). In that case, parents will be notified where their child is and may be asked to pick their child from that location.

In the event of a tornado, children will seek shelter in the closest tornado shelter spot throughout the building. In the event that the building must go into lockdown due to a crisis management situation, no one will be permitted to enter or leave the building until the center is cleared by emergency personal. During the lockdown, children will be moved to a secure location within the building where the doors will be locked and window secured.

In the event of a serious accident or illness, a teacher will stay and assist the child while office staff calls 911 and a director or other qualified staff gets first aid supplies. Basic first aid and/or CPR will be given until paramedics or other emergency personnel arrives.

If any child has special needs, a chronic illness or medical condition, or is in any way in need of special assistance, a specific personal plan will be written out and kept on file for them. All Bounce Preschool Academy staff will be made aware these procedures and trained specifically for these individual plans.

## Environment

---

### Maintain A Clean Environment

It is our commitment to provide a clean and healthy environment. We strive to maintain a clean facility and take precautionary steps to prevent the spread of illness. Our center is cleaned on a daily, weekly and monthly basis. Every area of the center is on a continuous cleaning schedule. All of our staff participates in the daily cleaning rituals and we bring in a professional cleaning service several times a week.

Thorough and frequent hand washing has been proven to be the single most effective method of reducing the spread of infectious disease. We promote cleanliness and good hygiene for our students by including hand washing at various times throughout the day. Children will wash their hands with soap and warm water upon arrival, before eating snacks, after using the restroom, and after various activities.

## Certified BioGreen Clean Facility

As an extra added precaution, we are also a Certified BioGreen clean facility. To safeguard the health and well-being of our customers, families, kids and staff, we have incorporated a monthly BioGreen Solutions treatment as part of our normal cleaning program.

This process uses environmentally safe disinfectants with 100% green attributes to kill and protect against pathogens including bacteria, viruses, odors and mold.

# Health and Medical

---

## Health History

A health history, record of immunizations and physical evaluation are required from a licensed physician certifying that your child's health is satisfactory to attend Bounce Preschool Academy. All medical forms must be turned in at the time of enrollment.

## Illness

If a child should become ill while in school, the parent/guardian will be notified for the following reasons and be asked to pick the ill child up from school:

- Fever of 100.0F degrees or more
- Vomiting or diarrhea
- Rash
- Any other illness symptom that seems to get worse over time

A child may be excluded from Bounce Preschool Academy when an illness or symptom prevents the child from participating in activities, when the illness/symptom requires more care than the staff can provide and is trained for, or when the illness or symptom compromises the health and safety of other children and staff.

Children who are absent with a contagious illness may not return to Bounce Preschool Academy without a written clearance from a doctor.

As adapted from the Academy of Pediatrician's report of the Committee on Infectious Diseases, children with any of the following conditions must stay home until the symptoms/condition have been resolved and the child has been symptom free for at least 24 hours or has been on medication for 24 hours.

- Conjunctivitis ("pink eye")
- Influenza
- Infections such as but not limited to- Pertussis, Strep Throat, Head Lice and Scabies, Coxsackie Disease, Hand, Foot and Mouth Disease, Chicken Pox, Impetigo, Mumps, Measles, Rubella, Hepatitis
- Eye Discoloration, ear or nose discharge
- Evidence of severe illness such as lethargy, unusual sleepiness, irritability, prolonged crying, inconsolability, obvious discomfort, labored, difficulty or rapid breathing, extreme coughing, wheezing, poor appetite.

## Accidents

All staff are trained in basic first aid and CPR. When an injury occurs staff will perform the basic first aid necessary. If the injury is minor and the child is capable of performing class activities they will be permitted to return to class. If the injury prevents the child from participating in normal activities or is severe parents will receive a phone call to inform them of the situation. In all cases, an Incident Report will be filled out documenting the injury or incident.

Should a medical emergency occur, a staff member will call 911 for an EMS team to come to the building while another staff member performs basic first aid and/or CPR until EMS has arrived.

## Allergies and Medications

Bounce Preschool Academy must be notified of any allergies or medical conditions your child may have and the medications used to treat them if necessary. Bounce can safely store your child's medications at our center and administer, when necessary, with a written permission from the parent/guardian.

All medications brought in to our facility must be:

- In original container
- Labeled with the child's first and last name
- Labeled with the date and dosage

And must include: specific directions

- Physician's name
- Expiration date
- Way to dispense the medication if in non pill form

For all non-prescription/over the counter:

- Must have a note from a doctor stating the exact dosage and frequency of the medication for that specific child and illness

Teachers will record the following information for all medicine dispensed during school hours:

- Child's name
- Name of medication
- Date, time and dosage given
- Name of person who gave it

---

**MUST FILL OUT MEDICATION PERMISSION AND INSTRUCTIONS FORM**

THIS IS INTENTIONALLY BLANK FOR COPYING PURPOSES

**Session Dates:** June 3 - August 1, 2024
