

SUMMER 2024 PRESCHOOL AGED THEMED CAMPS

June 11-August 8 (no camp July 2-4)

This summer beat the heat and have your child burn some energy, while gaining confidence through exploring their inner gymnast. Your preschooler will enjoy a summer preschool program under the supervision of trained Preschool teachers.

Each week we focus on a different theme and will have several rotations throughout the session where campers can participate in different activities, including gymnastics, art and more. When in the classroom the kids will work on literacy, math, science, and fine motor skills. In the gym they will participate in our preschool gymnastics program learning skills on vault, bars, beam and floor.

PRESCHOOL (Ages 3-young 5) (MUST BE FULLY POTTY-TRAINED)

Our Little Campers will have structured themed activities daily.
Bring your own water bottle. Full Day campers bring snack and lunch.
