2026-27 School Year

Session Dates: August 18, 2026 - May 20, 2027
NO CLASSES: 11/24-26, 12/22-24, 12/29-31, 3/30-4/1

Bounce Preschool Academy is a comprehensive academic preschool program, licensed by the State of Michigan, that combines caring and dedicated certified teachers with a unique state of the art 30,000 square foot facility to help your child develop all age appropriate academic skills, social skills, body awareness, and fitness fundamentals.

Classes will get the use of our specialized preschool rooms and gymnastics facility. This expansive space provides a fun and educational environment conducive to young children and unlike no other. At Bounce Preschool Academy children engage in an all encompassing learning environment. Using a variety of activities, children will explore language arts, mathematics, science, social and physical skills. We work to encourage and develop these skills and independent thinking.

Bounce Preschool Academy will provide your preschooler with the tools, supplies and equipment needed for academic success. Since preschoolers learn through play, at Bounce Preschool Academy we utilize a variety of fun but educational ways to teach your preschoolers the fundamentals that will prepare them for Kindergarten. This includes imaginative play, gross motor and gymnastics activities while utilizing our unique equipment and more while teaching the important fundamental skills for lifelong learning. Teachers support each individual child and set up activities that are child centered while promoting independence, self-discovery, and socialization. Every week we will focus on content areas (math, language and literacy, fine/gross motor, music, etc.) that will carry throughout the school year. During small group time the teachers will model concepts and then give your preschooler the chance to explore, discover, and learn as they try for themselves with the support and encouragement of a teacher.

CORE CURRICULUM & VALUES

Language Arts and Literacy
Preschoolers will start to recognize and write letters, write their name, and put sounds together for early reading. Your child will practice these concepts regularly to jump start their experience in Kindergarten. Since each child develops these skills differently, we will work with each child on their own level.

Mathematics
Preschoolers will develop and build upon early math skills. This includes identifying groups of objects, comparing less than and greater than, creating patterns, counting, and basic addition.

Science
What a better way to explore science than with the laws of gravity, cause and effect, and motion with their own bodies through traditional classroom learning and gymnastics. Utilizing a kinesthetic approach, preschoolers will understand the universe around them and how science affects their everyday environment.

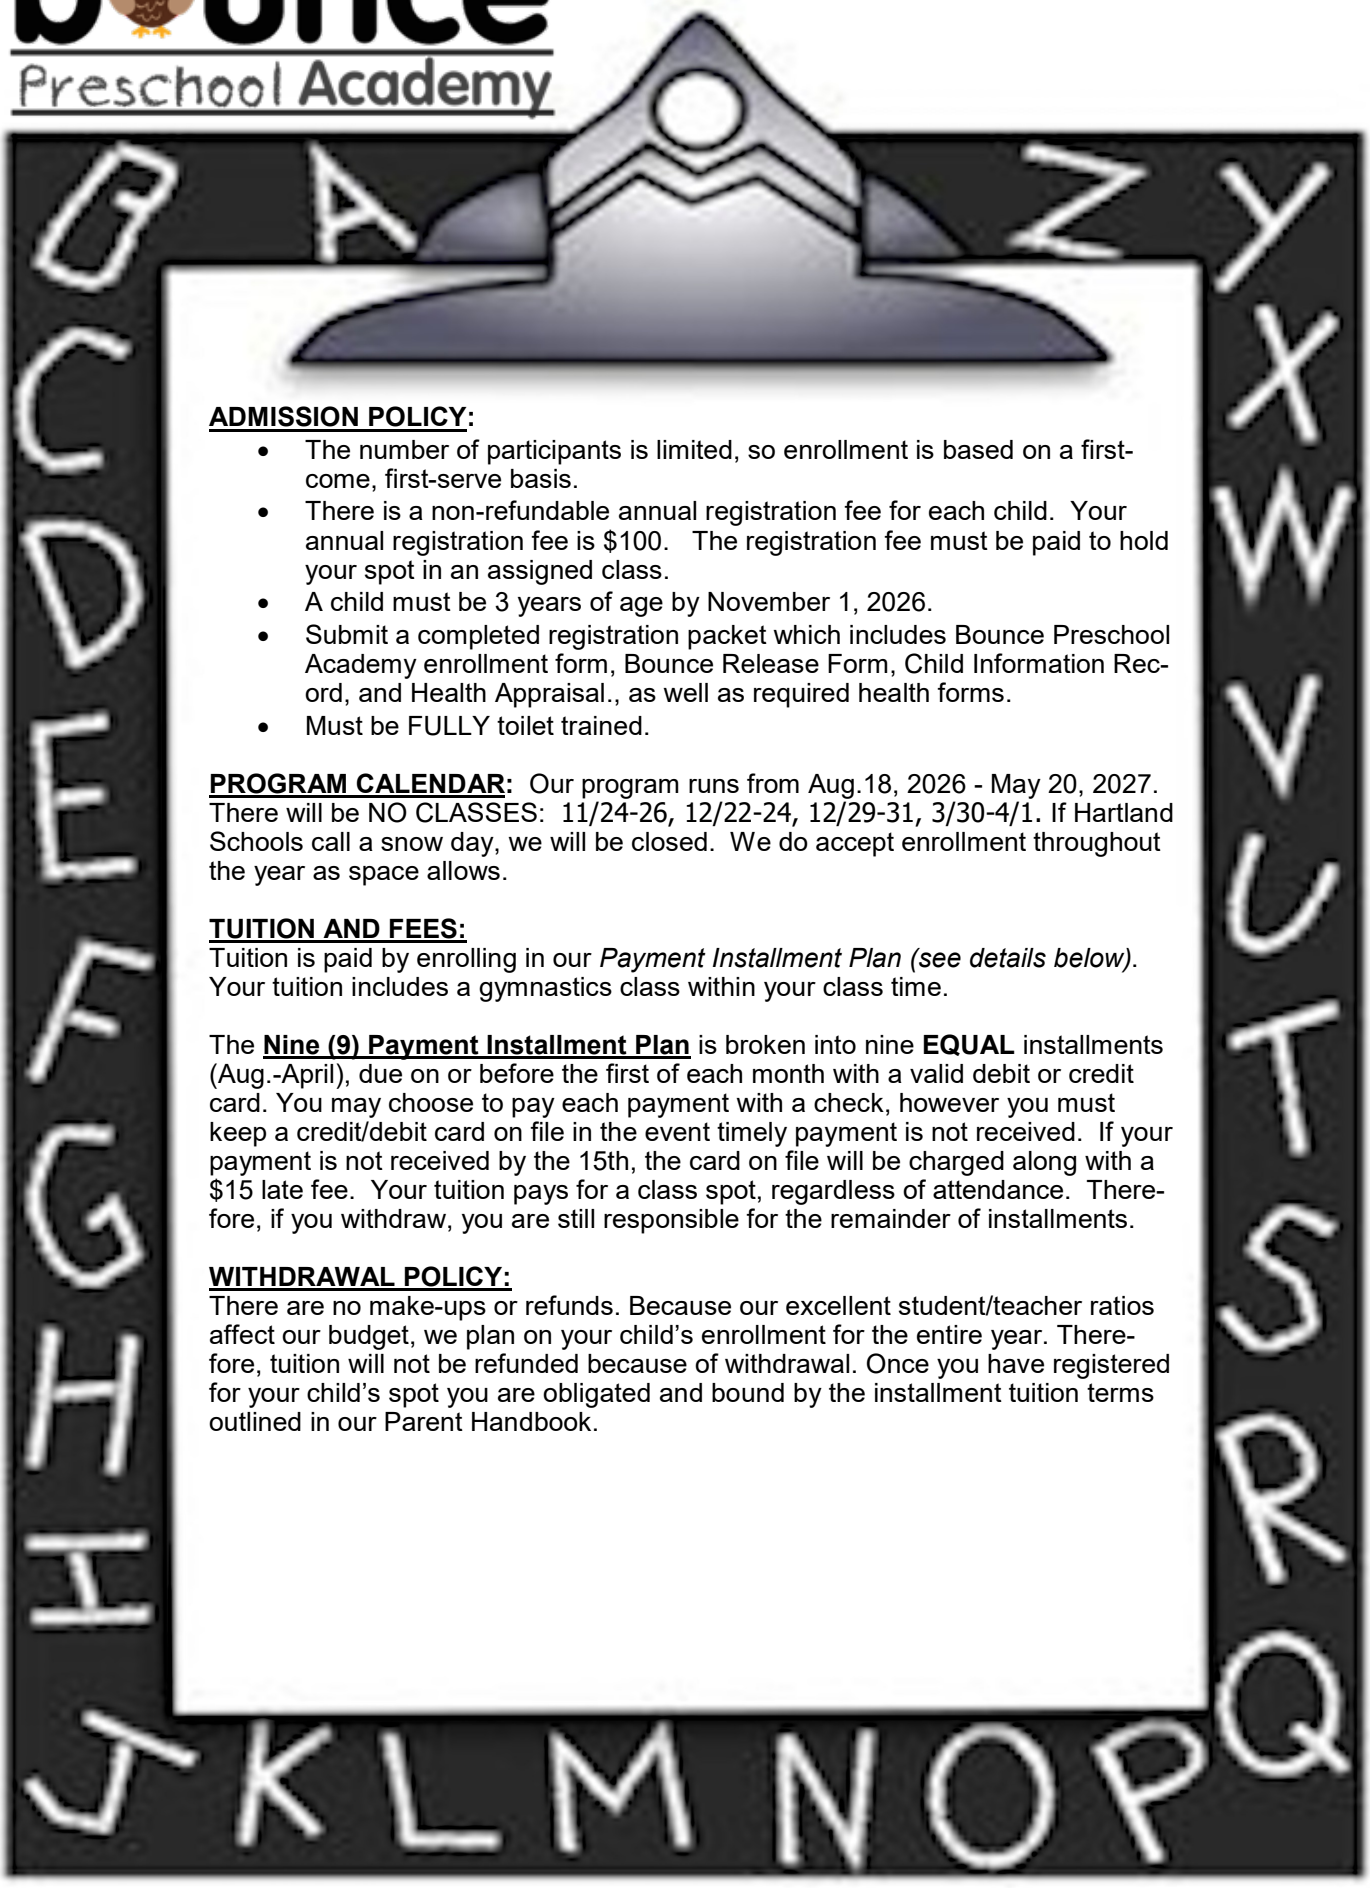

Social and Emotional Development
One of the most important components to kindergarten readiness is a child's social and emotional skills. At Bounce Preschool Academy, our goal is to develop these skills to help them succeed. Through traditional preschool and gymnastics programming, children will learn about the importance of teamwork, cooperation, collaboration, and communication.

Gross and Fine Motor Development
Since children learn by doing, one of the best ways to develop gross and fine motor skills is in an environment conducive to rich experiences. Learning happens in the classroom, as teachers develop their fine motor handwriting skills and it also happens on the trampoline, balance beam and tumbling track as they develop these big gross motor skills.

PROGRAM CALENDAR: Our program runs from Aug.18, 2026 - May 20, 2027. There will be NO CLASSES: 11/24-26, 12/22-24, 12/29-31, 3/30-4/1. If Hartland Schools call a snow day, we will be closed. We do accept enrollment throughout the year as space allows.

TUITION AND FEES:
Tuition is paid by enrolling in our *Payment Installment Plan (see details below)*. Your tuition includes a gymnastics class within your class time.

The **Nine (9) Payment Installment Plan** is broken into nine **EQUAL** installments (Aug.-April), due on or before the first of each month with a valid debit or credit card. You may choose to pay each payment with a check, however you must keep a credit/debit card on file in the event timely payment is not received. If your payment is not received by the 15th, the card on file will be charged along with a $15 late fee. Your tuition pays for a class spot, regardless of attendance. Therefore, if you withdraw, you are still responsible for the remainder of installments.

WITHDRAWAL POLICY:
There are no make-ups or refunds. Because our excellent student/teacher ratios affect our budget, we plan on your child's enrollment for the entire year. Therefore, tuition will not be refunded because of withdrawal. Once you have registered for your child's spot you are obligated and bound by the installment tuition terms outlined in our Parent Handbook.
